

Weekly Meetings

Whenever any activity, event, or meeting is run within Scouts, it's a requirement that an InTouch system is put in place.

The following InTouch system is for our regular weekly meetings that take place either at our HQ or in the local area.

1. Each section team has electronic records of all youth and adult members in the section which are able to be accessed during each meeting. The Leader in Charge, and at least a few of the adult volunteers have mobile phones that can be used if contact is needed.
2. All parents / carers have the Team Leader's number, and this is included on all communications from the Group and section. Team Leader contact details are included below:

Contact Details

Group Lead Volunteer – Iain Roy (Skip) – 07795 121731

Team Leader (Squirrels) – Jo Green (Spider) – 07936 056963

Team Leader (Beavers) – Lisa Roy (Maak) – 07885 161981

Team Leader (Cubs) – Lisa Roy (Malak) – 07885 161981

Team Leader (Scouts) – Iain Roy (Skip) – 07795 121731

3. Use of mobile phones is avoided during meetings. There should be no need for communication with parents / carers during the meeting except in an emergency, illness, or if the young person requires collecting for any other reason.
4. Contact details of the Group Lead Volunteer are available at the meeting place.
